DETAILS OF EOI

FOR EMPANELMENT OF NABL CERTIFIED & GLP CERTIFIED DRUG TESTING LABORATORY FOR TESTING OF DRUGS AND CONSUMABLES PROCURED UNDER THE NATIONAL HEALTH MISSION AND STATE GOVERNMENT, ASSAM.

1) BACKGROUND:

The National Health Mission has been launched to carry out necessary architectural correction in the basic health care delivery system. The Mission adopts a synergistic approach by relating health to determinants of good health viz. segments of nutrition, sanitation, hygiene and safe drinking water. It also aims at mainstreaming the Indian systems of medicine to facilitate health care. The Plan of Action includes increasing public expenditure on health, reducing regional imbalance in health infrastructure, pooling resources, integration of organizational structures, optimization of health manpower, decentralization and district management of health programmes, community participation and ownership of assets, induction of management and financial personnel into district health system, and operationalizing community health centers into functional hospitals meeting Indian Public Health Standards in each Block of the Country. The Goal of the Mission is to improve the availability of and access to quality health care by people, especially the poor, women and children.

2) PURPOSE

The wide purpose of the laboratory would include microbiology, serology, cosmetics, physical chemistry, Chemical nature and all auxiliary facilities required will also be capsulated. In the starting phase, the said laboratory will go for the testing all types of drugs (excluding vaccine and sera) but including sutures and ligatures, Insulin, gloves, gauze, bandages, cotton etc including medical devices notified as drugs etc. The testing of materials by this said laboratory would be as per official standards applicable and shall conform to all GLP norms.
