**DETAILED NOTICE INVITING EXPRESSIONS OF INTEREST (EOI) FOR SETTING UP 5
KW SOLAR POWER PLANTS IN HEALTH INSTITUTIONS (SCs) IN ASSAM**

1) BACKGROUND:

The National Rural Health Mission has been launched to carry out necessary architectural correction in the basic health care delivery system. The Mission adopts a synergistic approach by relating health to determinants of good health viz. segments of nutrition, sanitation, hygiene and safe drinking water. It also aims at mainstreaming the Indian systems of medicine to facilitate health care. The Plan of Action includes increasing public expenditure on health, reducing regional imbalance in health infrastructure, pooling resources, integration of organizational structures, optimization of health manpower, decentralization and district management of health programmes, community participation and ownership of assets, induction of management and financial personnel into district health system, and operationalizing community health centers into functional hospitals meeting Indian Public Health Standards in each Block of the Country. The Goal of the Mission is to improve the availability of and access to quality health care by people, especially for those residing in rural areas, the poor, women and children.

2) INVITATION FOR “EXPRESSION OF INTEREST”:
