6. Bid Submission

The two envelopes containing both technical and the financial bid shall be put in a bigger envelope, which shall be sealed and superscripted with **"BID Name & Nodue for opening on....."**

The offer shall contain no interlineations or overwriting except as necessary to correct errors, in which cases such correction must be initialed by the person or persons signing the Bid. In case of discrepancy in the quoted prices, the price written in words will be taken as valid.

7. Opening of Bids:

The technical bid will be opened at the time & date specified in the schedule. The Service providers may attend the bid opening if they so desire.

EVALUATION OF BIDS

Scrutiny of Bids

The Bids will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions and whether the bidder is eligible and qualified as per criteria laid down in the Bid Enquiry Documents. The bids, which do not meet the aforesaid requirements, are liable to be treated as non-responsive and may be ignored. The decision of the purchaser as to whether the Bidder is eligible and qualified or not and whether the bid is responsive or not shall be final and binding on the bidders. Financial bids of only those bidders, who qualify technical bid, will be considered.

Infirmity / Non-Conformity:

The purchaser may waive minor infirmity and/or non-conformity in a Bid, provided it does not constitute any material deviation. The decision of the purchaser as to whether the deviation is material or not, shall be final and binding on the bidders.

Bid Clarification:

Wherever necessary, the purchaser may, at its discretion, seek clarification from the Bidders seeking response by a specified date. If no response is received by this date, the purchaser shall evaluate the offer as per available information.

JOB DESCRIPTION

I. Responsibilities of the service provider:

- a. Providing services of laboratory technicians at PHCs, CHCs, sub district and district hospitals where there is no laboratory technician to perform routine laboratory tests. In case of such provision, the reports generated in the public health facility shall be duly signed by the laboratory specialist provided by the service provider. The report in such cases shall be sent electronically for signing of the respective laboratory specialist and shall be received at facility and subsequently.
- b. In all PHC's, CHC's, SDH's, and DH's, the state government shall put in place adequate medical equipment infrastructure to perform test that are of low cost and high volume . However until such time and for all such facilities where medical equipment infrastructure for performing prescribed tests does not exist, the service provider shall arrange for sample collection from patients, collection of batches of all samples once daily from PHC,CHCs and twice daily at DH and will ensure their safe transport , analysis and reporting of results within the time frame attached in **Annexure –A**. For high cost-low volume tests as decided by state government including but not limited to those prescribed in the annexure , the service provider shall continue to provide services as in (b) for the entire duration of the contract.
- c. State authority shall provide an information matrix for facility wise capacity in terms of existing Laboratory Human Resource and Laboratory equipment and services required from private service provider as per **Annexure - A**

II. Scope of the work.

The obligations of the service provider/firm under this service contract shall include following service activities and commitments. The details of various services required at different locations and type of facilities is given in **Appendix 'A'**

1. Service provider shall follow Standard Operating Procedures (SOPs) as approved by the authority.
2. Engagement of delivery of services agreed to be provided by the service provider; medical, technical and other personnel for operating and managing of centers where samples shall be sent for analytical purposes; and engagement of laboratory technician in identified public health facilities, will be ensured by the service provider. The state health authority reserves the right to add/delete/modify the list of tests prescribed at various levels of public health facilities and to add/reduce the total number of facilities for which contract has been signed.
3. All the operational cost related to functioning of equipment, Human Resource and consumables at all laboratories when samples shall be sent for analytical purposes shall be borne by Service Provider.
4. The service provider shall also provide logistic systems for sample transfer and reporting of tests. The diagnostic test reports shall be reported by the service provider electronically within the stipulated time frame. The provision of IT peripherals, connectivity for downloading laboratory reports and printing shall remain the responsibility of the Service provider. The Service provider shall declare all logistic capability, number of people deployed for logistics, mode of transport, Standard Operating Procedures (SOP's), for sample collection, transport storage and preservation of the sample from the collection point to laboratory.

5. Service provider shall provide a signed report from qualified medical professionals with minimum P.G qualification in related specialty.
6. Time frame for reporting of all results shall be as per attached **Annexure – YY**. All critical results shall be reported within 3 hours of dispatch of sample from the facility using IT support. Critical tests results shall be communicated to the concerned for facility telephonically. Records of actions taken in case of critical results shall be maintained by the provider. These include date, time, and responsible laboratory staff member and examination results. IT support systems along with connectivity for transmission of all results to corresponding health facility shall be the responsibility of the service providers.
7. Service provider shall declare all the empanelled /contracted/outsourced laboratories where the test would be done.
8. Service provider shall declare list of all the equipments in position and station where they are placed, all Human Resource including Laboratory specialist and Laboratory technicians.
9. The service provider should keep a record of Notifiable infectious Disease and Communicable disease the information of the same to be sent to the medical record department within 12 hours of report generation and to keep a record of the same.
10. The Service provider shall manage the following records:
 - a) Daily patients register
 - b) Report register
 - c) Critical value reporting test register
 - d) Turnaround time (TAT) register

ELIGIBILITY CRITERIA

1. The Bidder shall be a sole provider (Company/Society/Trust) or a group of companies (maximum 3) coming together as Consortium to implement the Project. The with a Lead Member should have at least 51% stake of the consortium and must also have all legal liabilities. The bidder cannot be an individual or group of individuals. The Service provider should be registered as a legal entity such as company registered under Companies Act, Societies Registration Act, Trust Act or an equivalent law applicable in the region/state/country. A bidder cannot bid as a sole provider as well as a partner in a consortium. No bidder can place more than one bid in any form. In support of this, the bidder's letter shall be submitted as per proforma in **Appendix 'B'**.
2. The Bidder shall have minimum three years of experience in carrying out similar type of assignment / service in private or public sector. In support of this, a statement regarding Assignments of similar nature successfully completed during last three years should be submitted as per proforma in **Appendix 'C'**. Users' certificate regarding satisfactory completion of assignments should also be submitted. The assignment of Govt. Depts. / Semi Govt. Depts. should be specifically brought out. (The decision of the Purchaser as to whether the assignment is similar or not and whether the bidders possess adequate experience or not, shall be final and binding on the bidders.)
3. The Bidder shall have at least five Laboratory Service Center (with fully trained service personnel) where reporting happens and provides reports for a minimum of 30,000 tests per annum in one of more States of India.
4. The Bidders are not presently blacklisted by the Purchaser or by any State Govt. or its organizations by Govt. of India or its organizations.
5. The bidders shall have a minimum turnover of **Rs 5 crore** per annum in last three financial years duly supported by audited accounts statement.

TERMS AND CONDITIONS

1. Signing of Contract

The purchaser shall issue the Notice for Award of Contract to the successful bidder within the bid validity period. And the successful bidder will be required to sign and submit the contract unconditionally within 15 days of receipt of such communication.

2. Modification to Contract

The contract when executed by the parties shall constitute the entire contract between the parties in connection with the jobs / services and shall be binding upon the parties. Modification, if any, to the contract shall be in writing and with the consent of the parties.

Services shall be valid for a period of 5 years from the date of approval by the Authority and it could be cancelled at any time after providing an opportunity of hearing by the Authority, in case the Service provider does not follow the rules, regulations and terms and condition of the contract.

3. Performance Security

- a. The successful bidder shall furnish a performance security in the shape of a Demand Draft/Bank Guarantee issued by a Nationalized Bank in favour of Tender Inviting Authority for an amount equal to 5% of the total contract value. The Bank guarantee shall be as per proforma at “**Appendix G**” and remain valid for a period, which is six months beyond the date of expiry of the contract. This shall be submitted within 15 days (minimum) of receiving of Notice for Award of Contract, failing which the EMD may be forfeited and the contract may be cancelled.
- b. If the firm / contractor violate any of the terms and conditions of contract, the Performance Security shall be liable for forfeiture, wholly or partly, as decided by the Purchaser and the contract may also be cancelled.
- c. The Purchaser will release the Performance Security without any interest to the firm / contractor on successful completion of contractual obligations.

4. Compliance of Minimum Wages Act and other statutory requirements

The bidder shall comply with all the provisions of Minimum Wages Act and other applicable labour laws. The bidder shall also comply with all other statutory provision including but not limited to provisions regarding medical education and eligibility criteria of human resources used by the bidder for providing the services, biomedical waste management, bio-safety, occupational and environmental safety.

Legal liability to the extent of reporting of images for each reported case extends to the service provider. However overall legal responsibility of provision of medical care lies with the Authority/ public health facility .The Service provider shall maintain confidentiality of medical records and shall make adequate arrangement for cyber security

5. **Income Tax Deduction at Source**

Income tax deduction at source shall be made at the prescribed rates from the bidder's bills. The deducted amount will be reflected in the requisite Form, which will be issued at the end of the financial year.

6. **Periodicity of Payment**

The payment will be made on weekly basis not extending beyond 12 noon of the last bank working day of the week for all invoices raised. The purchaser shall give standing instructions to the bank for implementation of this requirement. The bidder will raise its invoice on completion of services during this period duly accompanied by evidences of services provided. The payment will be subject to TDS as per Income Tax Rules and other statutory deductions as per applicable laws.

8. **Damages for Mishap/Injury**

The purchaser shall not be responsible for damages of any kind or for any mishap/injury/accident caused to any personnel/property of the bidder while performing duty in the purchaser's / consignee's premises. All liabilities, legal or monetary, arising in that eventuality shall be borne by firm/ contractor.

9. **Termination of Contract:**

The purchase may terminate the contract, if the successful tenderer withdraws its tender after its acceptance or fails to submit the required Performance Securities for the initial contract and or fails to fulfill any other contractual obligations. In that event, the purchaser will have the right to purchase the same goods/ equipment from next eligible bidder and the extra expenditure on this account shall be recoverable from the defaulter. The earnest money and the performance security deposited by the defaulter shall also be recovered to pay the balance amount of extra expenditure incurred by the purchaser.

After completion of the tenure of tender, the service provider will be allowed to vacate the space within a period of 15 days, in all the facilities where provider was providing the services.

10. **Arbitration**

- a) If dispute or difference of any kind shall arise between the purchaser and the firm/ contractor in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.
- b) If the parties fail to resolve their dispute or difference by such mutual consultations within thirty days of commencement of consultations, then either the purchaser or the firm/contractor may give notice to the other party of its intention to commence arbitration, as hereinafter provided. The applicable arbitration procedure will be as per the Arbitration and Conciliation Act, 1996 of India. In that event, the dispute or difference shall be referred to the sole arbitration of an officer to be appointed by the **Mission Director, National Health Mission Assam** as the arbitrator. If the arbitrator to whom the matter is initially referred is transferred or vacates his office or is unable to act for any reason, he / she shall be replaced by another person appointed by the **Mission Director, National Health Mission Assam** to act as Arbitrator. Such person shall be entitled to proceed with the matter from the stage at which it was left by his predecessor. The award of the provision that the Arbitrator shall give reasoned award in case the amount of claim in reference exceeds Rupees One Lac **(Rs.1,00,000/-)**

- c) Work under the contract shall, notwithstanding the existence of any such dispute or difference, continue during arbitration proceedings and no payment due or payable by the Purchaser or the firm / contractor shall be withheld on account of such proceedings unless such payments are the direct subject of the arbitration.
- d) Reference to arbitration shall be a condition precedent to any other action at law.
- e) Venue of Arbitration: The venue of arbitration shall be the place from where the contract has been issued.

10. General Terms & Conditions

- a. Service provider shall commence the proposed service within the 30 days of signing of the agreement.
- b. The authority shall finalize the Standard Operating Procedures (SPOs) for each of the services to be followed by the service provider.
- c. With regard to the doubtful observations, a repeat investigation will be carried out at the cost of authority.
- d. Annual review of performance and observance of terms & conditions including quality of tests shall be carried out by the authority. The service provider shall furnish a third party report of calibration of laboratory equipment used by the provider for providing the services, yearly to the authority. Documentation of the same should be done. A third party audit by an NABL Accredited laboratory shall be conducted at the cost of service provider every quarter. The service provider shall also check a define number of samples per month in another NABL accredited Laboratory for external quality assurance programme. In case the result of external quality assurance is not acceptable the amount equal to three times multiply by total number of tests for that matter shall be forfeited.
- e. Service Provider shall make alternative arrangements for reporting all of the cases at the approved rates in case there is breakdown which extends for more than 72 hours (3 days) of the sample collection. If the breakdown in the services extends beyond 15 days the contract may be cancelled. Between 3 days and 15 days if arrangement with alternate service provider is not in place . The authority shall deduct cost equivalent to starting from 8.00 Am on the day of commencement of shut down.
- f. The service provider shall provide a list of all laboratory equipment use along with serial numbers and locations.
- g. Use of the allocated space by the service provider for any other purpose other than the approved schemes shall not be permitted.
- h. After completion of the tenure of tender, the service provider will be allowed to vacate the space within a period of 15 days. In all the facilities where provider was providing the services.
- i. The cost reimbursed to service provider shall b cost/reported test,. For every 50% increase in total test the cost/reported test shall decrease by 3%.
- j. The service provider will also comply with confidentiality and privacy laws relevant to patient details.
- k. 95% of the test shall be reported within the stipulated time frame, as mentioned in the Annexure- I. In the event of more than 5% of test not being reported within stipulated time frame, no cost shall be pad for all tests reported beyond the stipulated time frame every month.
- l. All the operational cost within the declared scope of work including the cost of deployment of the personnel will be borne by the service provider.
- m. The service provider will be penalized in cases of increased TAT and if the delay is one hour then 25% of the payment per test shall be deducted.

- n. It is anticipated that at least 40% of the laboratory samples shall have at least one abnormal test result out of the various tests done on the samples. In event of more than 60% samples in a month giving normal results for all the tests prescribed, for all tests n additional samples beyond 60% , the cost/reported test paid shall be 0.25% of the cost per reported agreed upon. The service provider shall furnish data on the percentage of sample received from across all facilities of the public health authority, for which all tests prescribed were in normal range.
- o. NABL Accreditation is not an essential but desirable criterion. In case of a non NAL service provider being selected for the purpose of this contact, the bidder shall obtain NABL accreditation within 3 years of signing of the contract, in either case the bidder shall have third party performance annual audit done by a NABL Accredited laboratory.

13. Applicable Law and Jurisdiction of Court:

The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force. The Court located at the place of issue of contract shall have jurisdiction to decide any dispute arising out of in respect of the contract. It is specifically agreed that no other Court shall have jurisdiction in the matter.
